**Hand Crank and Motor Driven  
Series 30000 & H18006 - 1/4", 3/8", 1/2" I.D.**

Compact design and quality steel construction are incorporated into Reelcraft's newest line of pressure wash reels, rated up to 5000 PSI, 200C or 400 degrees F. Series H18006 and 30000 reels are able to carry 100 to 425 feet of tangle-free hose and are complete with a high pressure water swivel for maximum product delivery. The high pressure water swivel is designed to handle a broad range of pressures, temperatures and chemicals; perfect for agricultural/marine, equipment cleaning and pressure washing applications.

Caution: To prevent drum damage, all hoses should be extended before pressurizing.

Item #	Item Name	Hose Length	Hose Included	Reel Length	Hose I.D.	Pressure	Inlet (F) NPTF
H18006 M	Hand Crank Hose Reel	100 ft / 30 m	No	14in / 356 mm	3/8 in/10mm	5000 psi/345bar	1/2 in/13mm
CA38106 M	Hand Crank Hose Reel	140 ft / 43 m	No	20 1/4 in/514 mm	3/8 in/10mm	5000 psi/345 bar	1/2 in/13 mm
CA38112 M	Hand Crank Hose Reel	300 ft / 91 m	No	20 1/4 in/514 mm	3/8 in/10mm	5000 psi/345 bar	1/2 in/13 mm
EA38106 M12D	Electric Motor Driven Reel	300 ft/91 m	No	20 1/4 in/514 mm	3/8 in/10mm	5000 psi/345 bar	1/2 in/13mm
EA38112 M12D	Electric Motor Driven Reel	140 ft/43 m	No	20 1/4 in/514 mm	3/8 in/10mm	5000 psi/345 bar	1/2 in/13 mm
