Industrial Pressure Washers ...Built Right to Do the Job Right

Since 1969

MP

Portable, Gasoline or Diesel-Powered, Cold Water Pressure Washer with up to 5,000 PSI Cleaning Power

- Up to 5,000 PSI Cleaning
- Belt-Drive Landa Pump with 7-Year Warranty
- Reliable Honda or Kohler-Lombardini Engine
- Heavy-Duty Inlet Filter
- 1/4" Steel Roll Cage

■ **5-Gallon Fuel Tank** provides up to 5 hours of continuous cleaning so you don't have to break for refueling (5,000 psi model only).

■ Industrial-duty, gasoline-powered **Honda Engine** or diesel-powered **Kohler Engine** with 3-year warranty.

■ **Illustrated Labels** with universal graphics and symbols make operating instructions and warnings easy to understand for operator convenience and owner liability protection.

■ **Rugged 1/4" Steel Roll Cage** provides additional protection to the components as well as a lifting beam.

■ Industrial-grade, belt-drive **Landa High-Pressure Pump** has a triplex, forged brass head with a limited lifetime warranty and a market-leading 7-year warranty on the oil end.

■ Insulated, fatigue-free, spring-loaded **Trigger Gun** with variable pressure **Spray Wand** (3,500 psi model only) make for easy point-and-shoot cleaning.

■ Four-ply, tubed **13" Pneumatic Tires** for easy maneuvering in any terrain.

■ 50 ft. of steel-wire braid **High Pressure Hose** rated for up to 6,000 PSI and with 24-inch **Hose Guard** for burst protection and swivel **Crimp Fitting** for tangle-free handling of hose and trigger gun.

■ **Inlet Filter** strainer protects pump from debris.

■ Easy-to-attach **Detergent Injector** for convenience in applying soap.

■ Four quick-couple **Nozzles** are made of hardened stainless steel and color-coded for easy selection of spray pattern: 0°, 15°, 25°, 40°.

Rugged roll cage and 10-gauge steel **Chassis** is protected with all-weather-resistant epoxy powder coat paint.

■ Durable polyurethane **Battery Box** with vibration isolators for secure ride comes standard with the electric-start models (battery not included).

■ There are many **Safety Features** including a thermal pump protector and hand brake to prevent rolling while unattended.

MP Specifications

Model No.	Part No.	GPM	PSI	Engine	CCs	Start	Pump	Pump RPM	L x W x H	SHIP WT.
MP-373534*	1.107-001.0	3.7	3,500	Honda GX390	389	Recoil	Landa	1,185	42" x 26" x 30"	295 lbs.

Industrial Pressure Washers
...Built Right to Do the Job Right

Since 1969

MPE

Portable, Electric-Powered, Cold Water Pressure Washer with up to 5,000 PSI Cleaning Power

- 5,000 PSI Cleaning
- Belt-Drive Landa Pump with 7-Year Warranty
- 20 HP Baldor Motor
- Hose Rated to 6,000 PSI
- Rugged Steel Roll Cage

Stripping bark from logs is only one of the many applications for the MP or MPE high-pressure washers with cleaning power of up to 5,000 PSI.

WHY CHOOSE THE MP or MPE

No other cold water pressure washer delivers more blasting power than Landa's gasoline-powered MP or electricity-powered MPE. Both deliver the rare—but highly effective—blasting combination of 5 GPM and 5,000 PSI.

It's enough to cut salt-water barnacles from a ship's hull, rip bark off logs and strip paint from metal.

There are two models of the MPE, 230V 3ph and 460V 3ph, both of which come standard with a Nema 4 electrical box, a reliable 20 HP Baldor motor, a Cutler-Hammer magnetic starter and a 12-ft. electrical cord.

Both the MPE and MP are well known for their:

■ **QUALITY:** All top-drawer components, including reliable Landa high-pressure pump with 7-year warranty, extra-reliable Honda or Kohler-Lombardini engine or Baldor motor, rugged steel frame and chassis and industrial point-and-shoot wand for cleaning effectiveness.

■ **SAFETY:** Both are certified to rigid UL-1776 safety standards, with 24-inch hose guard for burst protection and tri-lingual operating instructions for operator protection.

MPE5-50024B

MPE Specifications

Model No.	Part No.	GPM	PSI	Motor HP	Electrical	Amps	Cord Length	Pump	Pump RPM	L x W x H	SHIP WT.
